My Dearly Beloved Daughter,

Loving New Year Greetings to you in the name of the soon coming great King, Lord Jesus Christ.

I thank the Lord God for protecting you and the baby growing up in your womb, graciously from the day you were conceived till today. You are not carrying an ordinary baby, but an end-time prophetic generation in your womb. The Lord God looks at you and says the following word as the Promise for this New Year.

They who Destroyed and Wasted you shall Go Away from you (Isaiah 49:17)

Read this verse loudly three times in such a way that the baby in your womb can hear your voice. When your baby hears these words, the baby will be filled with the Holy Spirit and will leap in your womb. Because, God will throw away the devious enemy Satan from you, who has been standing against you and your baby and wasting you so far. The wicked people who have been causing you suffering are going to leave you. So, don't worry. The Lord God is always standing by your side.

Now join with me for prayer. The Lord will surely bless you.

"Our Loving and gracious Father, at the beginning of this New Year, I surrender my loving daughter and the prophetic child of her womb unto Your Hands right now. In this New Year, touch and bless the mother and the baby with your new blessings and new strength, Lord. Let the wicked satan and the wicked men who rose against them go away from them right now. Let Your strong arms cover them and protect them. Lord, bless both of them with the joy and peace. In the name of our Lord Jesus' Name we pray, Amen."

My dear daughter, the Lord will surely bless the fruit of your womb. Begin the New Year with the new blessing, without any worries. The Lord Himself will be your doctor and will command you a safe normal delivery.

Lovingly

Sadhu Sundar Selvaraj
